INTRODUCTION

About Us

Unique Packaging is corrugated boxes manufacturing firm. Its managing director and the main promoter Mr. Sourav Mahapatra , the men with broad vision and a pleasing personality took the initiative of the industry. He believes 'sky is the limit' and with that vision He promoted the company in 2003 and the growing demand of his product rightly proved that packaging is an endurable weapon of the consumers. With that vision and vigor now the company is garlanded with success and one of the leading industries in Odisha and at the same time recognized in the national level.

Products of our company enjoy excellent reputation for its quality, performance and service. So far as Unique Packaging marketing of the finished product are concerned the prospects are also bright and ~~we~~ we are very optimistic about it.

Our Products

Corrugated Box | Corrugated Sheets

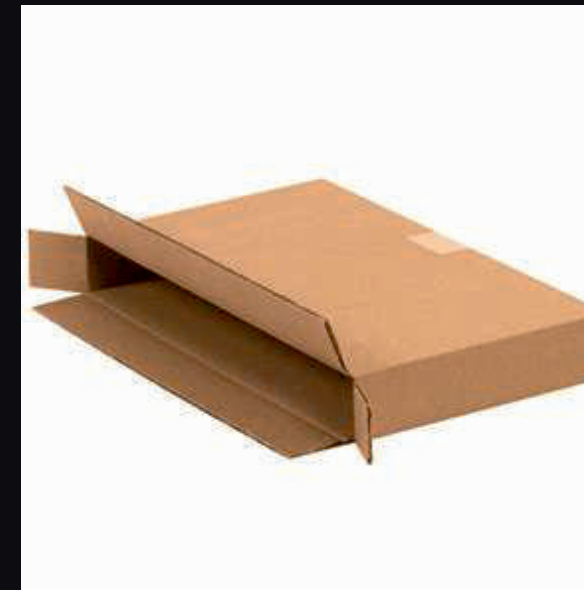

We mainly deal in 2 product categories.

Firstly, we deal with direct customers to satisfy their packaging needs where we develop new boxes as per their requirement, manufacture them according to product specifications & deliver to them as per the schedule in a timely manner with assured quality. We are also into export of corrugated boxes.

Secondly, we deal in manufacturing corrugated board/sheets as per the orders from fellow corrugated box manufacturers who don't possess the 5 ply automatic corrugated board manufacturing facility.
